

# PUBLIC DAILY LEDGER

SEVENTH YEAR.

MAYSVILLE, KY., WEDNESDAY, AUGUST 3, 1898.

ONE CENT.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "batches" free any more than a merchant can lose over his cost of goods. A newspaper is a business, and its value is determined by its circulation. It is not a charity, and its value is determined by its circulation. It is not a charity, and its value is determined by its circulation.

## NOT A SUIT

In our remarkable \$7 65 Suit Sale we were left unsold today had the people known what values they get for the price. At the eleventh hour the community seems to have suddenly awakened to the fact and truth that never before in the history of Maysville's clothing trade \$7 65 bought such values. We judge this from the number of customers that came in for these Suits yesterday. To make this sale a record breaker, and for the benefit of the laggards, we have replenished the depleted \$7 65 counters with still greater values, and will continue the sale until the 15th of August. Look in our window display.

Your Choice for \$7 65 Cash When the Goods are Taken Away. Money Refunded if Upon Home Examination You are not Pleased.

The results in our Shoe Department, though not a year old, are gratifying to us and fully as much to our shoe patrons. "The most comfortable pair of shoes I've worn for years," is the universal expression of those that wear them. Our \$2, \$2 50 and \$3 Smith & Stoughton French Calf Common Sense Shoes are the best in the market. Every pair we sell is made for us and warranted to give satisfaction. Money refunded if they don't. Our high-class Shoes, such as Vici Kid, Kinsman Calf, Patent Leather, Corbano, &c., all of which are specially made for us by the Hart-Packer people, Brockton, Mass., fill the long felt wants in Mayville's shoe trade. We are daily receiving our fall stock in these lines. If your summer shoes are about worn out and you think it late to buy lightweight footwear we can fit you in the coming style of Fall Shoes. Respectfully,

The Building Committee of Washington Opera house could have gotten the building erected cheaper by giving the contract to Cincinnati parties, but they preferred to give the work to Mayville mechanics, even at a greater cost. In this view, it does look like the Mayville mechanics ought to show a little appreciation by "pulling together" and pushing the work.

The Second Battalion, Knights of St. John, comprising the membership of Covington, Newport, Dayton, Bellevue and Mayville, propose a visit to this city on Labor Day, Monday, September 5th. It is proposed to have a procession through the principal streets, with dress parade at the Fairgrounds, a nominal subscription to defray expenses being charged for the latter. A big crowd is anticipated, and our merchants are kindly asked to aid in the sale of tickets, as they must respect considerable trade from the visitors.

Mr. Amos Means, whose critical illness was reported in yesterday's LEDGER, died at his home near Concord. He was a brother of Messrs Quincy A. and Robert F. Means of this city, a twin of the latter, and it was a matter of much difficulty with some to distinguish between them. He was a good citizen, and in addition to a family he leaves scores of friends who will sincerely mourn his death. The funeral arrangements were not obtainable when THE LEDGER went to press.

Attention, Cadets! The St. Aloysius Gadsden will arrive at Knights of St. John Hall tonight 7:30. Full attendance is requested. Business of importance.

P. P. SAMMONS, President

Electric Park.

The cozy auditorium at this popular place was crowded again last evening with a delighted audience. The people of this city are quick to find out the "real place" to go and be amused, and then again it is always so cool at Electric Park that it is no wonder that the people flock out there each evening.

Carmichael and Lucile are making the biggest kind of a hit in their musical novelty, while Armstrong and Porter are getting much generous applause from their new and up-to-date jokes. Lew Seeker is as funny as ever and always has something new to say. Make up your mind to go out tonight. Ten cents pays your admission and round trip fare.

## RUGGLES CAMPMEETING.

The Ledger's Correspondent Notes the Happenings at the Beautiful Campgrounds.

Special Correspondence: Public Ledger

RUGGLES CAMPGROUNDS, August 1st, 1898.

Editor Ledger: It is time somebody was telling somebody else that Ruggles Campmeeting is going on and that we, the campers, are having the grandest time you ever read about; that some twenty-three families from our beautiful little city are represented and tenting on the grounds. Then there are Mrs. West and her two charming daughters and the Misses Whittington from Bellevue, Dr. Harry Pangburn, Miss Lou Powling and Miss King from Maysville, Mrs. Dr. Hedin from Lukeland, Ky., ten families from Tolleboro, six families from Mt. Carmel, and Mrs. Charles Degman from Springdale. The Kentucky Cottage is full up and every other cottage is taken.

The camp and surroundings look like a beautiful lawn with old giant trees scattered hither and thither through the smaller trees and shrubbery, and as we sit here and breathe the pure air that is wafted through this delightful woodland it makes one feel as if he were beginning life over again. The people of Maysville are foolish to go long distances to hunt for a place of recreation when right here so near them are the Ruggles Campgrounds that are being beautified more and more every year.

We have now been here, most of us, for nearly a week and it hardly seems two days, so pleasantly does the time pass by. Then the cost of living here is so trifling it would astonish you how cheap you can buy articles of living.

Prof. Crabbe and wife arrived on the ground Thursday evening and he soon rallied around him a choir of singers which under his leadership were soon trained to sing together as if they had been practicing for weeks. The Professor and his wife are charming company and they add greatly to the pleasures of the camp.

Sunday morning came but the Rev. Collins of Louisville failed to be on hand. Yet we were not the least put out for we had with us Rev. Dr. Bradford, who has just finished his collegiate course in Boston, Mass., and the people of Mayville who have listened to his eloquence at home felt that no injustice was being done to the people here when they saw him step into the pulpit, and we were not disappointed. He took for his text, "Faith, Hope and Charity," and for more than one hour held his large congregation spellbound, their faces beaming with delight at the eloquence of this man of God. His words seemed to come from deep down in his soul. None who heard him can ever forget the sermon.

The Campgrounds Edworth League was organized on Saturday with the following officers:

President—J. W. Ramey, Catlettsburg.

First Vice President—Miss Lella Parsons, Tolleboro.

Second Vice President—Miss Birdie Walsh, Maysville.

Third Vice President—Miss Nellie Jones, Tolleboro.

Fourth Vice President—Miss Annie West, Bellevue.

Secretary—Miss Gertrude Harding, Maysville.

Organist—Mr. Albert Harry, Epworth.

The organization takes in all the young people of the Campgrounds, and all Preachers are members of the cabinet.

Quite a number of Preachers have just arrived. Among them are: Rev. A. Boring, D. D., Rev. J. W. Perryman, Rev. G. N. Colley, Rev. C. W. Sutton, Rev. J. A. Colley and Rev. H. Clay Northcott, the founder of Ruggles Campgrounds.

Maybe you think our children from Maysville don't enjoy romping over this twenty-five acres of woodland. They can scarcely stop to rest their minds. It is certainly a great treat to them.

Our meetings are well attended and are increasing in interest. We hope the few showers of rain will not deter the people of Maysville from coming out for they don't hurt us as the ground soon dries off.

We are expecting a very large turn out from Maysville on Sunday next. The threatening weather kept many away last Sunday but if they had come they would not have regretted it. M. J. W.

Comparison of cost of gas at main office Western Union Telegraph Company, San Francisco, using the Welsbach System, with same period in previous year while using ordinary burners, shows a saving of over 50 per cent.:

Mr. Burns Trigg, the clever driver of the Mt. Olivet 'bus, has again taken charge of the lines after being confined to his home for several days from injuries received from being thrown from his 'bus.

The hard rains have about finished the blackberries.

Young rabbit hunting is now very dice in the country.

All kinds of vegetables are very plentiful throughout the country.

It will not always do to jump at the conclusion that because a Preacher halloo a heap while preaching that he is of necessity saying a heap.

The best grade of Kanawha and Semi-cannel Coal for less money than you pay for Pomeroy at William Davis's Coal Yard, near Limestone Mills.

It wasn't accepted as first-class evidence that a man is listening to what the Preacher says because he sits with his eyes tightly closed through the sermon.

When you start out to buy anything in the line of Jewelry Watches and Diamonds don't fail to call at Murphy's the Jeweler. No better goods anywhere. Prices low. His repairing department is the best.
